

## G Vikram

Congratulations on successfully completing the 50-hour Accredited Training Program for Lean Six Sigma Green and Black Belt. Your dedication and fulfillment of all certification requirements have made this achievement possible.

At OTIFAS, we adhere to the rigorous standards outlined by internationally recognized certifications, including ISO 17024:2003, ISO 13053:2011, and ISO 18404:2015. This ensures that our certifications hold immense value across various industries globally.

Your newly acquired Lean Six Sigma certifications, combined with your knowledge in Project, Quality management, and Data Science, position you as a highly skilled professional capable of driving process improvements and delivering exceptional results.

Provided below are the key aspects of your certification process:

Particulars	Status
Assessment period	22-02-2024 to 09-03-2024
Minitab practice for Green Belt tools	Completed as per requirements
Minitab practice for Black Belt tools	Completed as per requirements
Practice Project	Completed as per requirements
Certification exam	Completed with score 0.88%

At OTIFAS, our team of experienced Master Black Belts and Black Belts is ready to provide guidance and support for a variety of Six Sigma projects. You can benefit from their expertise while undertaking projects at your organization.

Enclosed here with your certificates. Wishing you all the best

Jatinder Kaur  
(GM Operations)
